Thank You

FOR YOUR SUPPORT

Dearest Abiding Savior Family and Friends,

Thank you for your continued support of our mission to provide students with the knowledge, skills, habits, and experiences to fully maximize their intellectual, physical, interpersonal, and spiritual potential to impact their world by glorifying God and serving other people.

Watching our first child graduate last year to entering high school, our family has lived the impact a grade school has on a child's development in the most positive way. We fully contribute this to the community here at Abiding Savior and hope you're able to feel this in our event tonight.

The funds raised help us continue His work, which we can't continue without your generosity. The hope is you will also enjoy a night of fellowship, all while helping continue God's plan for our ministry.

I'd like to give a special Thank You to every talented person who helped plan this evening, the donations, the countless hours. All the work is humbling and greatly appreciated.

Thank you for being a part of our community and blessings on your evening!
